

Make a Pie Chart

A *pie chart* is a kind of graph.
The finished graph looks like slices of a pie.

Ask 12 people to name their favorite color. They may choose blue, green, yellow, or red. Record their choices in the tally table.

Fill in the pie chart. Color a piece of the pie blue for every person who chose blue. Color in green, yellow, and red pieces. Be sure to keep the colors together.
