

Fact Family Fun

Cut out and mix up the number cards. Place them face down in 2 piles. Pick one card from each pile. Write the numbers in the boxes. Complete the fact family.

1. $\square + \square = \underline{\quad}$ $\underline{\quad} - \underline{\quad} = \underline{\quad}$
 $\underline{\quad} + \underline{\quad} = \underline{\quad}$ $\underline{\quad} - \underline{\quad} = \underline{\quad}$

2. $\square + \square = \underline{\quad}$ $\underline{\quad} - \underline{\quad} = \underline{\quad}$
 $\underline{\quad} + \underline{\quad} = \underline{\quad}$ $\underline{\quad} - \underline{\quad} = \underline{\quad}$

3. $\square + \square = \underline{\quad}$ $\underline{\quad} - \underline{\quad} = \underline{\quad}$
 $\underline{\quad} + \underline{\quad} = \underline{\quad}$ $\underline{\quad} - \underline{\quad} = \underline{\quad}$

4. $\square + \square = \underline{\quad}$ $\underline{\quad} - \underline{\quad} = \underline{\quad}$
 $\underline{\quad} + \underline{\quad} = \underline{\quad}$ $\underline{\quad} - \underline{\quad} = \underline{\quad}$
